

## **GO GOES ONLINE**

The Government Opportunities (GO) website at [www.govopps.co.uk](http://www.govopps.co.uk) is being relaunched.

The new site will provide more information on GO magazine, which is published by BiP Solutions. It includes details of upcoming features, an archive of recent issues, background to the magazine and plenty of useful resources for both buyers and suppliers. There will also be a poll enabling users to express their views on the burning procurement issues of the moment.

The new site goes live on 1 June 2007.
